Polio vaccinations

On5May 2024, the World Health Organization (WHO) Director General declared the international spread of wild type polio virus to be a Public Health Emergency of International Concern under the International Health Regulations (IHR).

Since 5 May 2024, if you have spent 28 days or more in one or any combination of countries listed under the Endemic and Outbreak categories on the Global Polio Eradication Initiative website, we encourage you to have a polio vaccination before departing for Australia. Having the vaccination will also assist in eradicating the spread of polio.

More information and a link to the list of countries is available on our website immi.homeaffairs.gov.au/help-support/meeting-our-requirements/health/threats-to-public-health#content-index-3

To obtain maximum benefit in assisting with the eradication of the spread of polio, it is advisable to have the vaccination at least four weeks before your travel.
