DEAR ANIKA TASNIM

Based on an assessment of the labour market, Service Canada (SC) has issued a positive Labour Market

ImpactAssessment(LMIA),andhasconfirmedyouroffer(s)ofemploymenttotheforeignworker(s)identified in the attached Annex.
Thispostive opinionisbasedonthe informationandsupportingdocumentationyouprovidedinthecontext of your application. It is subject, notably, to your compliance with legal requirements related to the employment of the foreign worker
These requirements include, but are not limited to, all workers in Canada being

* protected by relevant labour employment levies
* entitled to work in a safe workplace where their healthis protected; and
* able to file a complaint with the federal provincial or territorial department for employment standards, if they are not

bring provided with the proper wages and working conditions,

Please be advised that should you wish to change any of the conditions noted on the attached annex. Service Canada (HRSDC) must be informed in writing immediately.

This positive LMIA. Including the annex, must be submitted by the foreign worker to CIC as part of each worker's Application to receive a work permit. This LMIA confirmation is only one of CIC's many requirements in issuing a work permit. It does not authorize the foreign worker(s) to enter, remain or work in Canada. That decision is the responsibility of CIC. Also note that in addition to the LMIA confirmation, CIC expects the worker(s) to submit a copy of the employment contract signed by you and the worker(s) prior to issuing the work permit. The conditions and benefits outlined in the employment contract must be consistent with the information in this LMIA confirmation (e.g. Wages, hours of work, etc.)

Please keep a copy of these documents for your records, and forward a copy to the prospective foreign worker(s). As well, kindly advise this Service Canada and each foreign national if you no longer require his/her services as a worker, or if you need to cancel your job offer prior to the entry of the worker to Canada.

*** Please note that pre-approval 14783 has now been completed.
